

# MDF DOOR CATALOG

# **BLOCK for Fire and Smoke.**

**Meet BLOCK which gives a new impulse to fire resistant hotel and residence doors.**

## **Technical Features**

- Fire and smoke resistance for up to 30-60 minutes
- Unmatched durability certified by 1 million cycle test
- Tested at IFC, Warrington and Chitren Fire laboratories • Environmentally-friendly door leaves with FSC Forest

## **Stewardship Council certification**

- Excellent acoustic insulation performance
- Monobloc fire-resistant door panels
- A structure which does not require any additional varnish, paint, coating for fire resistance
